

UNITED WAY CONDUCTS 11th ANNUAL

“STUFF THE BUS” PROGRAM

How do you stuff a bus? And why would we want to? **Because OVER 60% of Geary County public school students come from low-income families** who often struggle to provide the supplies they need to succeed in school.

School will be starting before we know it, and parents will begin making tough choices about what they can afford. Help United Way gather supplies now to send kids back to school equipped to learn.

HERE'S HOW YOU CAN LIVE UNITED:

1. **Volunteer** to help sort and/or deliver the donated school supplies.
2. **Donate** supplies at one of our drop-off locations, or financial donations can be made at UWJCGCSTB
3. **Adopt** a BACKPACK that will help a child in need.
4. **Share the information with others.**

Contact United Way at 238-2117
or director@unitedwayjcgc.org

**TEXT
UWJCGCSTB to
44-321 to donate.**
